Re: Request for Information for the F. J. Doyle site

Dear Mr. Morton:

On March 6, 2019, the US. Environmental Protection Agency (EPA) received your request on behalf of Louisiana Power and Light Company, LLC for a 60-day extension to respond to the F. J. Doyle 104(e) Information Request.

Based on the EPA's review of your request, we are extending the deadline for your response by 60 days. As a result, your response to the 104(e) Information Request is now due no later than May 20, 2019, with the proviso that you provide relevant materials at thirty and forty-five days as interim submissions. Should you have any questions, please contact Mr. David Eppler at (214) 665-6529 or eppler.david@epa.gov. Thank you for your attention to this matter.

Sincerely,

Ben Banipal, P.E., Branch Chief
Technical and Enforcement Branch
Superfund Division
